DEDICATION

We, the Senior class, dedicate this edition of "The Globe" to our parents and our sponsor, Miss Pitsenbarger.

As young graduates setting out in the world, we look back over our school days and realize that without the untiring patience, love, and sacrifices of our parents, many of us would not be graduating now. They were always near to comfort us and to give us the encouraging smile and reassurance we needed from the first grade when we "stubbed" our toe, on through high school when we had a fight with our best boyfriend or girlfriend. They sacrificed buying things for themselves so that we might get something new; and whenever we made mistakes, they were always willing to forgive us.

We want to take this opportunity to thank them from the bottom of our hearts for everything they have done for us.

To Miss Pitsenbarger, we also owe a great deal. She has always been willing to give us extra help in any difficult subject and to do everything possible to make our school days more enjoyable. She's always willing to forgive us if we get a little "rowdy" in class and she's ready to give her full support in any worthwhile project we undertake. For all of her help and patience with us, we want to say "thank you."

Class Prophecy

Through the years since 1959, the accomplishments of twenty-eight noted persons have appeared in newspapers, movies, and television programs throughout the nation.

The credit for their success goes to the school from which they graduated, Churchville High School, located in Churchville, Virginia.

A collection of these noted persons achievements are as follows:

Nancy Cook is the president of the P.T.A. at Churchville Consolidated High School. Her four children are students of the school mentioned.

Mary Hodge has accomplished her goal as co-owner of the Harris Ford Company. I see she still rides around in that Black '49 Ford.

Martha Houseman is happily married and is going to tour the U.S. with her husband to survey new highway locations.

Judy Ashby, a student of Longwood College, has received the most outstanding graduate award for her tireless efforts to unnerve the professors.

Judy Shinaberry is now operating a cattle farm located in the western part of Virginia. She is married, incidentally, to the very well-known Ray Strickler.

Mr. & Mrs. David Kanagy are receiving congratulations on the arrival of twins. Mrs. Kanagy is the former, Betty Jordan.

Barbara Hamilton has just returned from Michigan where she attended a convention with her husband. She lives in Pennsylvania, but she is visiting her family and friends.

Nancy Fullen has just recently purchased a yacht. She plans to spend several months abroad to search for her one and only.

Next week in New York City the famed couple, Mr. & Mrs. Harry Taliaferro Jr. will make their debut at the Flamingo Club. They are striking figures in the Entertainment and Sports Car Columns.

Joyce Harris is doing fine with her acting career, she will appear on Broadway next week in the famed, "A Midsummer Night Dream" by William Shakespeare.

Fayth Armstrong is doing fine as the private secretary for Byron McWhorter's Used Car Lot. They travel everywhere together and buy used cars. Fayth is a graduate of Smithdeal-Massey Business College in Richmond.

Glenda Botkin graduated from Smithdeal-Massey Business College with high honors. She is

going to announce her engagement soon.

Billy Kesner is a famous stock car racer. He has appeared on T.V. programs all over the nation and success is the true means for his wealth.

George Baylor, an engineer for United Steel Company, has just returned from England. Engineers must be making good money these days. He built the first bridge across the Atlantic Ocean.

In Washington, D.C. President Merle Dodson, is going to spend the weekend with baseball hero, John Madison Hoy.

Barry Dula has just returned from a tour of the world. He is a wizzard at Geometry and his hobby is playing baseball for the "Hawaii Surfborder's" team.

Douglas VanLear has won the American Farmer Award for being out-standing farmer, citizen, and father.

Alwyin Botkin, a well-known apple packer is appearing on a new T.V. series, "Keep Packing."

John Lockridge has a show of his own in Hollywood. All the movie agents are after him to do a movie of his life. He's doing well in the entertainment world.

Billy Ralston is the Republican representative from Alaska. He is a happily married man and seems to enjoy the cool indifference of the Democrats.

Billy Botkin, a teacher at Churchville Consolidated High School, has just recently been appointed head of the Bookkeeping Department.

Billy Armstrong has just returned from a tour of the world. He owns jelly factories in all parts of the U.S. as well as abroad.

Patsy Shull has financial troubles. As owner of the Shull Printing Co. she has lost millions with the destruction of school books.

While watching a new T. V. program, Famous Quotations, whom should I see but Penny Karicofe as hostess.

Peggy Starrett is appearing at the National Art Gallery to represent one of her paintings. She will then return to the orphanage she has just built for homeless, needy children.

Jean Nichols is now operating model agencies all over America. She is doing well with figures, I hear. She is still looking for her one and only.

Did you read the article in "The Maryland Leader" about Mrs. Jimmy More, former Peggy McWhorter? She has just been chosen "The Mother of The Year."

Class History

In the fall of 1955, we, the graduating class of 1959, started our first year of high school with an enrollment of forty students. Our sponsors were Mrs. Mary Hahn and Miss Hetty Skelton. Soon after the first of the year two of our members dropped out.

We elected as class officers: President, Billy Ralston, Vice President, Nancy Fullen, Secretary, Barry Dula, and Treasurer, Peggy McWhorter.

Merle Dodson and Judy Ashby were our representatives in S.C.A. We selected as our colors Red and White. Our flower the red rose. Our Motto "To Have a Friend is to be One."

We entered our Sophomore year under the sponsorship of Mrs. Kathleen Hobson.

Our Sophomore class officers were: President, Barry Dula, Vice President, Penny Karicofe, Secretary Judy Shinabery, and Treasurer, Peggy McWhorter, Bill Ralston and Judy Ashby represented us in the S.C.A.

In the year 1957, we began our Junior year at Churchville High School with thirty members. Mr. Marvin Glover was our home room teacher. To serve as our officers that year we elected as following: President, Delmar Benson, Vice-President, Aylwin Botkin, Secretary, Wanda Clifton, and Treasurer, Barry Dula. The members who served on the S.C.A. council were: Penny Karicofe and Bill Ralston. Penny Karicofe and Bill Ralston from our class were selected by the faculty to represent the school at Girl and Boy State, which was held at V.P.I., Blacksburg, Virginia.

We had a very successful Junior year raising money for our Senior Trip as we raised \$200 by the means of bake sale, Junior Play, and selling stationary.

For a Junior and Senior entertainment we all enjoyed a nice informal party at the High School.

Our Junior Play entitled "Betty Jane From Pumpkin Lane," written by James F. Stone, was given in the spring of 1958. The cast included, Judy Ashby, John Lockridge, Penny Karicofe, Patsy Shull, Billy Ralston, Peggy McWhorter, Peggy Starrett, Merle Dodson, Martha Houseman, Glenda Botkin, Douglas VanLear and Barry Dula. Our Director was Mr. Marvin Glover.

During our Junior year we received our class rings, which made everyone very happy.

This ended another year of high school with only one more to go.

On September 5, 1958, our Senior year finally arrived. We had as our sponsor Miss Mary Pitsenbarger. We entered our Senior year with twenty nine members. To serve us in this last year we elected the following: President, Merle Dodson, Vice-President, Peggy McWhorter, Secretary, Nancy Fullen, and Treasurer, Wanda Clifton.

Our S. C. A. representatives were Glenda Botkin, and Barry Dula.

We selected as our senior play "For Pete's Sake," written by Jake Tobias. Miss Mary Pitsenbarger was our director. Under her splendid direction the following cast put on a very good performance. George Baylor, Billy Ralston, Barry Dula, Merle Dodson, John Hoy, Fayth Armstrong, Penny Karicofe, John Lockridge, Judy Ashby, Peggy McWhorter, Glenda Botkin, and Wanda Clifton.

Patsy Shull and Barry Dula were selected by the high school students and faculty to receive the Rotary Award for citizenship.

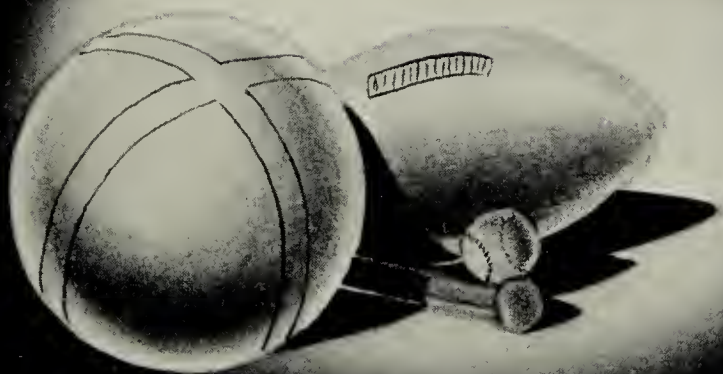

At the end of the fifth six weeks the following students were chosen honor graduates: Penny Karicofe, Patsy Shull, Nancy Fullen, Barry Dula, Merle Dodson, George Baylor, and Bill Ralston.

The highlight of the year came when we left June 8 for a visit to New York. On June 11, we returned home after four days of fun and interesting tours.

On June 4, we received our diplomas and stepped forth to take our place in the world.
